

Housing Finance for Development

Mobilizing global investment in affordable and adequate housing

A Side Event at the 4th FfD4 PrepCom Session

THE WORLD BANK

Thu, 1 May 2025

11:30am - 1:00pm

CR-8, UNHQ NYC

Around 2.8 billion people live without adequate housing – It's time for a new approach.

This event will explore:

- **Bridging the Housing Finance Gap** – Why investment isn't reaching where it's most needed
- **The Role of IFIs** – How development banks can support diverse, inclusive housing models
- **Making Land Work** – Using land value and planning tools to unlock resources
- **Financing Community Solutions** – Supporting small-scale, local and informal housing efforts
- **Strengthening Local Capacity** – Helping governments lead sustainable housing strategies
- **Learning from Success** – What real-world initiatives are teaching us about financing housing at scale

Be part of the movement to make safe, affordable housing a reality for all.
