

2023 Counter-Terrorism Week

## SIDE EVENTS

23 June 2023 • 13:15-14:30 EDT

INVITATION

# Building More Effective and Resilient Law Enforcement Responses to New Technologies in Countering Terrorism: The CT TECH initiative

Countering the use of new technologies for terrorist purposes has become an increasingly critical challenge in the modern era. CT TECH initiative aims to strengthen the capacities of law enforcement and criminal justice authorities in selected partner countries to counter the exploitation of new and emerging technologies for terrorist purposes, as well as support the leveraging of new and emerging technologies in the fight against terrorism.
