## **From the Directors:**

Thank you for joining us and supporting this production! It has been a joy collaborating with the talented dancers from Tyler Junior College, the choir from Jarvis Christian University, and every dedicated member of our exceptional cast and crew.

We are truly grateful for the opportunity to bring this powerful story to the stage. The rich characters, stirring music, dynamic choreography, breathtaking set, stunning lighting, and extraordinary talent of each performer come together to create an unforgettable theatrical experience. We hope you laugh, cry, and feel the emotional weight of this story as it reflects the very real challenges and triumphs of the human condition.

As this timeless tale poses the question "*What makes a monster, and what makes a man?*", we invite you to reflect on what inspires compassion, courage, and humanity within us all.

We have cherished every moment creating this production, and we hope you cherish every moment watching **Disney's The Hunchback of Notre Dame**.

Enjoy the show!
