## **TOILET PATH:**

- Students will not be permitted to return to the College whilst the Cross-Country event takes place. All students will use the public toilets and portable toilets near the car park. There are only 4 toilets so students' movement will have to be restricted.
- The path will be marked with blue markers.
- As the path runs close to the running track, it is important to ensure students stay on the clearly marked path.

## **TIMING CHIP DISTRIBUTION: (Coordinated by Naomi Larsen)**

- Students attend Homeroom to have their names ticked off and move as soon as possible to the embankment outside the Foundation Block. (Year 12 and Year 11 Girls only do not go to homeroom - report at 8.40am sharp to Foundation embankment for chip distribution as you are in the first two events).
- Students to sit in House groups within Chip Distribution Zone.
- Announcements will be made over a PA stating what year group needs to move forward to the Chip Distribution Station to marshal and collect their timing chip.
- House marshals will have a roll with the chip numbers that are allocated to the student. The house captains will be with them to assist in the issuing of the chips.
- Once their chip is issued, Homeroom teachers or buddies need to escort their Homeroom students across to Piney Lakes for the commencement of the carnival.
- Junior School runners will receive and attach their timing chips in classrooms prior to leaving junior campus for Piney Lakes.

## **CHIP DISPOSAL:**

- Chips are disposable so students can keep their chip after the race or dispose of them in the Green Bins.

## **STUDENT CONDUCT & ATTIRE :**

- Students are expected to put in BEST EFFORT for their house by RUNNING.
- All Senior School age groups will be completing the 3km course – your goal is to finish in under 25mins to score points for your House
- Year 3 & 4 Students will be completing the 1.5km course.
- Year 5 & 6 Students will be completing the 2.0km course.
- If students need a rest, it is suggested they walk for a bit before continuing to run.
- No mobile phones/devices or ear buds permitted – these will be confiscated.
- Run in house shirt with PE shorts & hat, do not bring jackets on the course (leave in locker)
- Correct socks and suitable lace up runners with good support are required – no skate shoes, vans or similar canvas slip-ons.
- Bring large drink bottle clearly marked with name – can be left in house bay.
- Yr 3 – 6 may bring a snack in sports bag which is clearly named (no back packs). Yr 7 – 12 encouraged to bring a snack in a shared sports bag with others – bags must be clearly named and to be left in house bays not taken on course.
- If you are a slower runner or walking to get your breath back – move to the left of the path so you don't hold up runners in the groups behind you.
- We want this to be an enjoyable event for all. DO NOT deliberately block the path of others or take any short cuts.
- Staff on course will report any such behaviour and sanctions will apply. This will affect the overall performance of your House.
- Ensure all clothing items and drink bottles are clearly named.
