

FDA Overview and Career Informational Session for Rush University Graduate College

VIRTUAL – MONDAY OCTOBER 4, 2021

Learn more about the FDA and job opportunities with the
Associate Director for Scientific Staffing,
La’Nissa Brown-Baker, PhD, DABT

This informational session entitled, “[Navigating the FDA Hiring Process](#)” will provide a brief FDA overview for context and clarity on the Agency and how it works, discuss where and how to look for a federal job and internships, and the nuances of the federal hiring process. During the presentation, there will be discussion on components of a federal resume, useful tips, and provide examples of the federal resumes to facilitate the process.

Date: Monday, October 4, 2021

Time: 5:00 PM - 6:00 PM CST

Location: This event will be presented using Zoom. Please see information on next page.

Students, post-docs, and professionals interested in Federal Career opportunities should participate in the presentation to jumpstart the process of landing a federal internship and career presented by the Associate Director for Scientific Staffing, Dr. La’Nissa Brown-Baker, FDA
